TIRED

I'm a bit tired
everybody's gone
feeling uninspired
what is going on?

I'm a bit tired
haven't been sleeping well
everything's backfired
I'm going through hell

OVERTHINKING

it would make it weird
if I said what I think
I value our friendship
more than anything

I'LL JUST DANCE

I've missed the train
but I don't care
standing in the rain
don't know where

not a care in the world
stuck in France
a realization:
i'll just dance

SLICE OF LIFE

I woke up too late
no time for talking
I gotta be walking
'cause I've missed our date

you had to wait
and you were angry
you cannot stand me
it's still on my plate

it could have been great
we don't talk anymore
standing at your door
maybe second date?

THANK YOU

when I'm feeling down
when I'm feeling blue
all I can do is listen
and whisper:

Thank you
